

## Welcome

Dear colleagues,

Welcome back after what we hope was a restful break.

It was great to see many of you at the regional SEND and Inclusion conference delivered by the Learning Shared network and colleagues from across the sector. There were some great takeaways and challenges from all the speakers including Diane Rochford OBE. We hope you found the day informative and inspiring as we definitely did!

During June and July, the Potentia Team are visiting as many of our 326 schools as possible. The aim of our visits is to see how we can support you during 2023/24 with our programmes and services. We are really looking forward to meeting you in person and we will be bringing freebies! Thank you to all the schools who have booked in visits during June and July from our email last half term. If you have not had the chance to do so yet, or have not received information about this via email, please contact us through [info@potentiatsh.co.uk](mailto:info@potentiatsh.co.uk).

In our spotlight section this month, we are focusing The Chartered College of Teaching.

We are delighted to announce that we will be collaborating with The Chartered College of Teaching to provide you with access to journals and research that will assist schools/settings and teachers to develop their evidence informed practice.

You will be signposted to this via a section in our monthly newsletters alongside direct email communications. You will also have the opportunity to access FREE webinars delivered by expert colleagues from The Chartered College of Teaching that focus on a variety of topics including how to engage with research.

To help us serve you to the best of our abilities and provide you with all the information you require, we would greatly appreciate you looking at the engagement section of this month's newsletter and completing the survey that is linked to the QR code.

Kind regards  
Alan and the Potentia Team

## Team Update

TSH welcomes Jan Pierce as the new NPQ lead. With over 30 years in education, Jan brings a wealth of experience as she has worked across Derby City, Nottinghamshire and Derbyshire leading schools across the primary age range. In 2014, she led the 4Derbyshire Teaching School Alliance which was one of the first TSAs in Derbyshire. Their focus was School to School support, Professional Development and ITT. She supported many schools as a NLE and from 2017, she was Executive Head over three schools in Pinxton. Since Sept 2020, Jan has been working closely with schools as a Leadership Coach, a Chair of Governors and then joined us as a facilitator on our Leadership NPQs from February 2023.

To contact Jan directly, email on [npq@potentiatsh.co.uk](mailto:npq@potentiatsh.co.uk)

## NPQ Applications are now open

Applications for our next cohort of NPQs, which start October 2023, are now open. [Click here](#) to find out about targeted support funding. As part of the government’s long-term education recovery plan, it was announced in May 2022 that funding for fully funded NPQ training scholarships will be available in academic year 2023 to 2024.

If you are interested in finding out more about our lead provider, Education Development Trust, [click here](#).

We have an information webinar for our NPQs on June 28th 4pm, with Jan Pierce our NPQ lead, to find out more about our leadership and specialist programmes and two new programmes in development. [Click here](#) to register for the webinar.

Recent testimonials from participants who have completed one of our NPQs.

“It was useful to be able to sit with colleagues in a similar setting to be able to discuss issues, we were able to learn from each other through discussion.”

“The session was good in promoting the EEF framework - this is something I will definitely take forward.”

“Networking with other colleagues and opportunity to share experiences with Primary to see different contexts.”

“The opportunity for discussion and consideration of case studies, useful to see how these would apply to my own setting.”

Trainers were knowledgeable and facilitated interesting and fruitful discussion on the implementation phase of the EEF 4 step process.

Clear practical examples offered, and relevant case studies provided. Ability to speak with colleagues across sectors and to gain a shared understanding alongside reflecting on personal context.

## Early Career Teacher/ Appropriate Body Services

Are you employing an Early Career Teacher (ECT) starting in September 2023 for one term or more?

Potentia TSH are now offering both the Early Career Framework (ECF) and Appropriate Body (AB) services. You will need to register your ECT, their Mentor and Induction Tutor for both of these.

To find out more we will be holding information webinars on the following dates:

- 4th July 3:30pm
- 14th July 3:30pm

[Click here](#) to join any of these sessions. These are repeated sessions, please attend the date that suits you.

If you have taken on an ECT and are considering working with us please complete this [expression of interest form](#) so we can ensure you have the most up to date and relevant information.

If you are unable to attend the webinars or require further information please contact us at [ect@potentiatsh.co.uk](mailto:ect@potentiatsh.co.uk).

## Spotlight

# CHARTERED COLLEGE OF TEACHING

The Chartered College of Teaching is the professional body for teachers. We are working to celebrate, support and connect teachers to take pride in their profession and provide the best possible education for children and young people. We are dedicated to bridging the gap between practice and research and equipping teachers from the second they enter the classroom with the knowledge and confidence to make the best decisions for their pupils.

Through Chartered College of Teaching membership, teachers have access to a wealth of research, resources and insight to enable excellent teaching. By bringing the profession together and giving teachers a platform for their voices to be heard and their expertise to be respected, we can raise the status of teaching together.

In our coming newsletters we will be working with The Chartered College of Teaching to provide you with impact journals and research to assist your evidence informed practice.
